

Do you have or can you obtain one or more of anything on this list for our Respite Camp Center?

Condition required: New to "Gently Used." Not accepting worn items, items with holes, thread-bare, etc.

(RECENTLY ADDED ITEMS)

- 2—Twin size matching comforters, duvets or bedspreads that have tones of blue in them to be placed in a room with soft blue walls
- 2—Twin size matching comforters, duvets or bedspreads that have tones of soft coral (not red), or soft earthy colors (such as browns/tans/rusts) to be placed in a room with soft coral walls
- 3—Twin size matching comforters, duvets or bedspreads that have apricot colors or soft earthy colors (such as browns/tans/rusts) to be placed in a room with soft apricot walls
- 1—Vacuum cleaner with wand that would allow one to reach into corners or up to the ceiling/wall intersection to vacuum cobwebs...and that would work very well on a hardwood floor. It needs to be powerful enough to pick up grit off the hardwood floor—street grit is easily tracked in. We do have two large carpeted rugs at the doorway to try to catch that, and they would be vacuumed as well.
